

Lectern and wall mounted signs

Marco Trailers, having a versatile engineering division, recently installed a series of lectern and wall mounted signs for Newhaven Town Council as part of their Newhaven Uncovered campaign to educate both residents and visitors in the history of the Town and surrounding area.

The signs were designed and manufactured by Marco with artwork provided by 3VA on behalf of Newhaven Town Council.

Specifications:

- Fully galvanised and powder coated for maximum protection against the elements
- Secure anti tamper sign mounts
- Anti graffiti signs
